THE DAY IN NEW YORK.

Christmas Made Merry for Thousands of Poor People.

New York, Dec. 25.—There was no snow to make it a white Christmas in New York this year, but there was a bright sun and a clear sky with air almost autumn-like to make the holiday cheerful.

The many coins dropped into the common stock of the Salvation Army and the Volunteers of America station at the street corners every hour, and the Salvation Army, which celebrated the birthday anniversary of Commander John D. Rockefeller today at the distribution of thousands of toys from giant Christmas trees erected in the streets, shed of the Ninth Regiment armory.

It was estimated that 7,000 men, women and children were gathered in the city for the Third Thanksgiving dinner, and after a good dinner was given, a package of tobacco, a pipe, and a ticket which will provide him with a pair of well-made shoes. The Bowery mission also gave breakfast to over a thousand hungry men and baskets to about a hundred poor families.

In the borough of Brooklyn, a "red stocking committee," which started in three years ago to see that every child not made merry by some charitable organization received a red stocking, distributed its ideal today by the distribution of 5,000 red stockings, each estimated to cost about \$2.50.

Mrs. James P. Waterman, a daughter-in-law of late Governor Waterman of California, chairman of the red stocking committee, which comprises more than 100 prominent citizens.

With such organized work carried out by numerous societies, the cheer was carried to the prisoners to the hospitals and almshouses. The city provided dinner for some 10,000 students in its institutions. The generosity of private citizens taken collectively also took care of multitudes.

BLOWN TO ATOMS.

Kentucky Man Celebrated Christmas With Dynamite.

Madison, Ky., Dec. 25.—Edward V. Vetter, nephew of Chief of Police George V. Vetter, of Little Clear Creek, about three miles from here, was blown to atoms tonight while discharging dynamite. Van Vetter with a party of about a dozen men, was celebrating Christmas. Thinking the fuse attached to the dynamite had been extinguished, he went to the dynamite. In a second it exploded, throwing him high in the air.

Boy Santa Claus Badly Burned.

Lyons, Mass., Dec. 25.—Playing Santa Claus in flannel attire and towed with hempen hair, George H. Sawyer, aged 14 years, went too close to the lighted candles on the Christmas tree in his home in Lyons, and suffered a severe burn which are expected to prove fatal. His parents, Mr. and Mrs. Edward Sawyer, were burned severely in an attempt to beat out the flames and save the life of their boy.

SAILORS MAKE GIFTS TO THEIR BENEFACTORS

John D. Rockefeller, Mrs. Russell Sage and Miss Helen Gould Remembered.

New York, Dec. 25.—The boys of the navy station, the Brooklyn Navy Yard, made gifts to the city of New York today in appreciation of the help which had been given to the United States Christian Association in the navy. The jackets from ships which make their home port Norfolk, Va., came here with a handsome and embroidered working-out the various naval emblems with great skill and precision.

Mr. Rockefeller while he was dining with his family at his town house here today, the festive of the night, told the boys he was very happy with the remembrance. The boys in turn told him how much they appreciated the help which they had received from Mr. Rockefeller.
